# **10 Sure-fire Ways Of How To Attract People To Your Site**

1. Give people a free subscription to your newsletter. Almost all of the creators of sites offer the newsletter, so give something for free for subscribing to your newsletter. You could offer a free gift or free advertising.
2. Provide your visitors free content. Your content (or content of the site) will be more attractive if it will be continually updated and also if it will be original. You could also offer its visitors the permission to use your content in a newsletter or at the Web site.
3. Offer a free online directory. It can be full of interesting books, newsletters, and websites and so on. If people recognize your guide valuable to them, they will visit it over and over again.
4. Give your visitors the download of the free eBooks. You can put these books in their free listing and let other people give it away for free. If you do not have time to write it by yourself, you can ask for the permission from other authors to use their own articles.
5. We advise you to keep your free online classes or seminars. They may be in the form of a forum or chat on your site. The idea of getting the information "alive" will always attract people. Also, you will become known as an expert on this subject.
6. Offer your visitors to participate in a lottery or raffle free of charge. The prizes must be interesting or valuable to your visitors. Most people who participate in it, will ever visit your site to see the results of this lottery.
7. Also let visitors download free software. Along with the free programs you can offer the program to the test period, demos and so on. Also you can even create a section with the software on your website. If you create the program, you should add your ad there and allow the visitors to distribute it for free to other users.
8. You can counsel people who visit your site free of charge. You can offer your advices via email or the telephone. People will think this is a great value because the cost of counseling can be very expensive.
9. You should offer free online services. This may be an opportunity to work with the search engines directly from your website, updating the text or something else. The service should be very easy for your target audience.
10. You ought to give your visitors a free membership at your online club. People want to belong to something important. Why not your community? You can also make a free newsletter for the members of your club.
